

Coverage for a complex world of information.

Understanding the complex security issues organizations face as they manage large quantities of information takes expertise. The kind we've amassed at OneBeacon Professional Insurance. It also takes a deep appreciation for the unique difference between one organization and the next. We have that too. Putting this experience to work, OneBeacon Professional Insurance creates tailored network security and privacy liability solutions for your clients – all driven by a team of underwriting and claims experts who work together as one for you.

With OneBeacon Professional Insurance, you get the support of our professional liability team that brings more than 20 years of experience to underwriting, legal and claims services.
