

Risk Management driven by *direct experience*.

Considering how complex the world of health care has become, having an effective and proactive Risk Management program is key to attempting to minimize and prevent liability exposure. For many insureds, the challenge becomes one of time and resources. Implementing and maintaining an effective enterprise Risk Management program takes considerable effort. At OneBeacon Professional Insurance, we understand this because our Risk Management team has been there. Our team includes health care professionals who have served as Risk Management Directors for some of the country's leading health care organizations. Applying this real world experience, we assist insureds in identifying risks and strategies to attempt to prevent and reduce potential financial liability associated with those risks.

OBPI offers a broad range of services and tools for our health care insureds that can include:

- ➔ Personalized introduction and contact
- ➔ Access to insureds-only OBPI website portals with a broad array of risk management resources
- ➔ Risk Assessments
- ➔ Access to software products for insureds
- ➔ Educational Programs (live webinars, AboutRisk® Learning Library, on site presentations with continuing education credits)
- ➔ Electronic newsletters/alerts
- ➔ Access to publications/subscriptions
- ➔ Consultative and Research Services
- ➔ Policy and Procedure Review
- ➔ Sample Risk Management Tools and Guides

At OneBeacon Professional Insurance, we believe that knowledge, expertise and constructive collaboration lead to the best insurance solutions. As a result, we have transitioned to an approved access distribution model. One that focuses our efforts on building the strongest possible relationships with selected producers. A broker office may be approved for access to one or more of our underwriting divisions.

In addition, our distribution network includes specialized wholesalers. This makes our products and services accessible to all other agents and brokers.

To discuss how your office can obtain direct access, please email us at OBPIProducerAccess@onebeacon.com

Experience has a new measure

There's experience as in knowledge and expertise. And there's experience as in how a company works with and for you.

We are OneBeacon Professional Insurance, combining the best of both to make the insurance experience entirely better for you.
